Treasurer's Report

As of Oct 31, 2024, we are currently at **-\$8,030.19** between offerings and expenses.

Giving was exceptionally low after the General Conference decision and has been slowly increasing back to normal levels.

Motion to approve the Treasurer's Report: Dee Faller

2nd: Tanya High

Vote to approve: Unanimous

New Business

Jane Emrich: In October, the education commission met and talked about doing away with the education commission since other committees are duplicating what is discussed. The budget line will be dispersed to other parts of the church.

Motion that the education commission be dissolved: Jane Emrich

2nd: Mary Evans

Questions: What was the purpose of the education commission? It had been to oversee educational components of the church, but there are committees, groups or people that oversee each part now. There was lots of duplication at meetings, and this will also make it easier for Finance.

Vote to approve: Unanimous

Charge Conference: Jennifer Freymoyer

Ad Council is always able to appoint new positions or fill positions throughout the year.

2025 Lay Leadership Report

Changes:

Anyone's name that is not bold is already in those positions. We are only voting on those that are in bold. Edit: Add Kim Moyer and Rick Rollman in bold for additional term.

Still need one person for Staff-Parish Relations Committee.

All in favor accepting the Lay Leadership Report as written: Unanimous

Pastor's Compensation: \$67,480.18 after a 4% raise for Pastor Robb. Part of his compensation includes health insurance, pension and parsonage.

Motion to accept Pastor's Compensation package: Tanya High

2nd: Dave Hahnlén

Vote passed to approve.

Regarding the Discernment Process: Jenny Freymoyer encourages you to have the conversations you need as a community, but to continue the work in the community. It is very easy for the discernment process to become the main focus. While it is an important process, what we are doing as a Church is much more important.
